

## Landis School

Landis School is located in Landis, a village of 119 people located 38 kilometres north west of Biggar on Highway 14. Agriculture is the primary industry in Landis with the town also serving as an education, business and recreation centre for its area. Landis School offers Kindergarten to Grade 12 classes and has a current enrollment of 69 students. Projections indicate a continuing decline in enrollment. The Landis School attendance area includes the community of Handel. The school closest to Landis School that offers the same grades is Biggar Central School 2000. Landis School was reviewed by the Sun West Board of Education in 2009.
