Background

The Division values those who volunteer to serve the needs of students. The Division recognizes the enthusiasm, support and dedication volunteers bring to school activities, and that their efforts have a positive impact on students.

The Division requires principals to exercise discretion in allowing volunteers access to schools, classrooms, and school grounds.

Volunteers are any individuals who provide support for the curricular and extra-curricular programming (i.e. community coach, classroom helper, driver for activities, etc.)

- 1.1 Volunteers are to be approved by the principal.
- 1.2 Volunteers are to work under the supervision of a teacher or principal.
