Education Week Proclaimed October 16-22, 2016

The Sun West School Division is proud to recognize the hard work, dedication and success of our teachers, staff and students as we celebrate Education Week. The theme this year is *Celebrating Today, Preparing for Tomorrow*.

Education Week provides an opportunity to celebrate student success and recognize our dedicated professionals across the province. It is also an opportunity to celebrate the achievements of our students and the dedication of our education professionals this week and throughout the year.

This year's theme: *Celebrating Today, Preparing for Tomorrow*, is about recognizing student achievement and teaching excellence that occur each day in our schools while continuing to prepare our students for a brighter future before and after graduation.

Schools throughout the Sun West School Division will be celebrating Education Week in various ways. Please check our Sun West Facebook and Twitter pages for updates, as well as #SKedweek for events around the province.

October 17, 2016 is also proclaimed School Bus Driver Appreciation Day to celebrate and thank our dedicated drivers who get our students to and from school safely everyday.
