Music Monday Event in Sun West on May 4th, 2015

We extend this invitation to attend a special event in the Sun West School Division.

Music Monday is a Canadian event where high school bands from across our country will all perform at 11:00am on the first Monday in May every year.

This is the first time that Sun West band students have participated in this program. The bands will be performing on May 4th, 2015 at the Rosetown Arena. The high school bands involved include: Eaton School, Westcliffe Composite School in Marengo, Rosetown Central High School, Outlook High School, BCS 2000, and Westberry School in Kindersley.

Music Monday was launched in 2005 by The Coalition for Music Education. It is the world's largest single event dedicated to raising awareness for music education. Each year, hundreds of thousands of students, educators, and music makers participate in a simultaneous nationwide concert performance of an original song written by a Canadian artist (www.musicmonday.ca)

Students will be performing two pieces as an ensemble, as well each band will be performing their own piece. The guest conductor will be Director/CEO Dr. Guy Tétrault and Technology Coach, Terry Epp will be the emcee
