## ***PROVINCIAL STUDENTS DAY IS SEPTEMBER 2<sup>nd</sup>, 2014.***

The Sun West School Division is proud to recognize the hard work and determination of our students as they head back to class this year. This year students return to class on September 2<sup>nd</sup>, which has also been declared Provincial Students Day. The main focus of the week is the safety of students as they head back to class after summer break. Drivers around the region are reminded that all of our students from Prekindergarten to Grade 12 will be back in school and it's important to take their safety into consideration. Some reminders for students and drivers are as follows:

- Look both ways before you cross the street
- Only cross the street at pedestrian marked cross walks
- Do not pass school busses when stop arm is out
- All busses are equipped with a flashing roof light that indicates there are children on the bus at this time
- Speed limits in school zones are 30km/h and are in effect during school hours unless otherwise posted
- Watch for children! They may not be paying attention and see you!

If we all remember the rules of the road and teach our children those same rules, then we can be assured that our children will be safe during the 2014-2015 school year.
