PeBL Information Sessions

The Sun West School Division will be hosting two PeBL informational sessions. The first session will be on Tuesday, October 10th at 7:00 p.m. There are two ways that you can view the session. The first way is to come to OHS and watch the broadcast with us in the multipurpose room. Janet Warren, our PeBL mentor, will be there and she will attempt to answer any questions that you might have following the online presentation. If you can't make it to OHS, you can view the webinar from home. All you will need to do is follow the following link: <https://meet.lync.com/swsd/kelli.boklaschuk/JC40DR25>. The second session will be on Thursday, October 12th at 2:00 p.m. This session will only be available online.

No School for Students

There will be no school for students on Friday, October 6th due to in-school professional development for teachers. There will also be no school for students on Monday, October 23rd as all teachers will be in Rosetown for a Teachers' Convention. School is closed on Monday, October 9th for Thanksgiving.

Attendance Notifications

If you have not been receiving attendance notifications from OHS, please call Sheila or Ashley at (306) 867-8697. Attendance notifications are sent from the school twice a day if we have not received prior notification that your child will be absent from school. You can check your child's attendance records by logging on to Parent PowerSchool.

OurSchool Survey

OHS will be participating in an online school survey for students called the OurSCHOOL Student Survey. This survey will occur between November 1 and November 30 as part of the provincially mandated data collection process for the Education Sector Strategic Plan. All students in Saskatchewan from Grade 4 to Grade 12 will be completing the survey in the given time period.

About the OurSCHOOL Student Survey:

- Allows students to share their feedback **anonymously** on their experiences at school, school environment and school improvement programs.
- Participation in the survey is **voluntary**, however all students are encouraged to participate.
- The time required to complete the survey may vary, but it is designed to be completed in approximately 35-40 minutes.

Survey measures include such topics as behaviours and attitudes linked to student success, emotional and social well-being and physical health. For more information about the OurSCHOOL Student Survey, please visit The Learning Bar Inc.'s website: www.thelearningbar.com.

SCC Message

Hi Everyone! This is the School Community Council (SCC) introducing ourselves. This year we have Jaime Joyes as Chair/Secretary, Marlene Wilson as Treasurer, Cathy Morrow as Board of Education representative, Walter Wood and Kim Sobkowicz as OHS representatives, Joanne Simonson, Jackie Douville, and Paul Simonson as parent and community representatives.

So what does the SCC do?

- Our main role is to support OHS to improve and enhance student learning;
- We encourage and support communication between parents and school faculty to strengthen the understanding of the OHS goals;
- The SCC also helps coordinate and sponsor OHS events;
- The SCC just donated \$500.00 to the Breakfast Program at OHS to help ensure all students get a healthy start to their day.

Please feel free to contact any of us with any questions or concerns that you have regarding OHS programs or student activities, and we'd be happy to help!

Our next meeting will be held on October 24th, 2017 at 5:15 p.m., in the multipurpose room.

Welcome Back from IndEP

I know I'm a little late on this, but I was away when the September Newsletter was sent out. I had the opportunity to officiate in my 3rd World Baseball Championship in Thunder Bay - what an experience! For those that do not know me, my name is Trevor Drury, and I teach the Independent Education Program. My classroom is located in the Outlook Trades Centre. My class consists of students working at their own pace towards a regular Grade 12 or Adult 12 Diploma. Many of their courses are online, but some are delivered here.

I am again enjoying Junior Football this year. Mr. Leblanc is taking care of the managing duties, and I am working great community coaches. The team has been great as well. I am also looking forward to coaching Jr. Boys Basketball again. It'll be a Great Year to be a Blue! - ***Mr. Drury @drury.trevor***

Junior Football

It's been a great month for Junior Football! Too bad the season is coming to an end - this season is too short. However, the growth the team has made has been remarkable over this short time.

We have practiced twice a week, and have played a home and home series with Watrous - a very strong football school. We played Jamboree style, where each team would get 6 downs on offense then just switch. Watrous may have scored a touchdown or 2 more than us, but our boys and girls hung right with them. On the last play in our last game, our receiver was tackled from behind inside the 10 yard line after a 30 yard pass and run play! On the defensive side of the ball, pursuit has much improved and we were able to sack the QB a couple of times and force some turnovers!

We have 2 games left on our schedule. We head to Davidson on Wednesday October 4th, and they come here the following Wednesday. Concession will be open, so come on out and see all the team has learned. The coaching staff have had so much fun with this group as they are keen to learn, and a great group of student athletes.

Manager "Leaping" Leblanc, Coach "Drop Kick" Drury, Coach Mel "Hip Toss" Harris, Coach Lauren "Fumble Recovery" Ferguson, Coach "Cop" Kyle Vye.

Senior A Girls Volleyball

The Senior A Girls Volleyball team have had a great start to the season. They took a bronze medal home from Rosetown's tournament and a fourth place finish in Unity. For the first time in RAVE's history, OHS Senior Girls took home the gold medal at Loreburn's 14-team tournament. The team continues with weekly league games and will be hosting their home tournament on October 13/14th. We also host home games on Wednesday, October 11th, and Wednesday October 25th. Mark the dates on your calendar and come out to watch your Senior A Girls Volleyball team!
