Dear Parents,

Welcome back to another year at Walter Aseltine School. My name is Tracy Dollansky and I am very excited to begin the journey with you as your new Principal. I look forward to working with you and your children this year.

I began teaching in the former Biggar School Division in 1982. I was the Principal of Biggar Elementary School, and most recently, the Vice Principal of Biggar Central School 2000 for the past eight years. I am looking forward to working with the staff, students and parents at WAS as we continue to educate your children.

This is very much like returning home for me. I grew up in Rosetown, and actually attended Walter Aseltine as a child (a few years ago). My parents still live in town and so on those stormy nights, or on evenings when activities are planned, I will have a place to stay. Presently, my husband Wayne and I are living in Biggar where we own the Biggar Subway and operate a mobile grain cleaning business. Our two children are now grown and attending the University of Alberta. Lisa is in her first year of Nursing and Steven is finishing his Bachelor of Science degree and then heading into Law.

As the year progresses our goal will be to support your son or daughter as they develop his/her greatest potential. The staff at WAS will provide opportunities for your children to participate in a positive, caring, and safe atmosphere where they can strive for excellence. Our hope is that school is a happy place where they will develop a love of learning that they will carry with them throughout their lives.

I hope to meet with each of you over the next few weeks. Please mark Wednesday, September 10 on your calendar as an opportunity to meet all of the WAS staff at our "Meet the Teacher Night". Feel free to stop in at the office at any time if you have any questions or concerns. I can also be reached by phone (882-2644) or email at [tracy.dollansky@sunwestsd.ca](mailto:tracy.dollansky@sunwestsd.ca).

Once again, welcome back to school. It should be a wonderful journey and a great year!

Sincerely,

*Tracy Dollansky B.Ed., M.Ed.*
