

COVID-19 March 25, 2020 – Sun West Parent Communication

We hope that everyone is at home safe and sound and looking after your families. Together, we can do our part to flatten the curve by following COVID-19 safety guidelines giving our health care system an opportunity to deal with the pandemic.

A big question you may have is what learning will look like for your children during this time of school closure. Currently, the Provincial Response Planning Team is working to provide a framework for all schools in the province to operate within.

In Sun West schools you can expect the following:

- All school buildings remain closed.
- Staff will be working from home beginning on March 30, 2020.
- During the week of March 30th, school staff will be contacting you to discuss your child(ren)'s learning plan.
- Updated information will be available on the Sun West School Division website, social media platforms, and your school website.

It is important to maintain the relationships we have built with our students, families, and communities. If you have any questions please email info@sunwestsd.ca

We look forward to continuing to support your child(ren)'s learning journey as they develop necessary skills for future success.

Sincerely,

Karen Itterman, Board Chair
Sun West School Division

Dr. Guy G. Tétrault,
Director of Education/CEO
